

# MAPPES DUROCS

**TOM CAT** has done a great job for us. We will have several January-April litters by him.

**CHAMPION DUROC BOAR PIG** sired by Tom Cat  
A big thank you to the Ag Teachers, 4-H Leaders, Parents and Friends that purchased pigs from us last Fall as well as all the positive comments about our pigs. Reports are coming in on several Champions in the Texas & Oklahoma Jackpots.

*INTRODUCING: MM HORSE POWER 77-3*  
*[Pi R Squared x Big Louie x Trademark]* owned with Crouch & Curry, TX. Here is one big toed big footed, heavy boned red hog. Extreme in his width of chest, blade, rib and hip. Extremely loose in his joint and spine. All four feet set on the corners. Visitors that have seen him said they never seen a red boar like him. Thanks to the Stewart Family for letting us purchase Horse Power before the Fall Classic. Limited semen. Horsepower's first litters arrive mid-February.
